Instructions for Obtaining a Special Events Permit

1. As part of the Special Events Permit, please provide all information as requested on the attached check list. All information must be returned to West Valley City a minimum of 14 days prior to event.
2. Please type information or print with a black pen. If information is not legible, the permit request will be returned to you. Please submit 8 copies of your application and information to the Planning and Zoning Division, room 240, at West Valley City Hall. After submittal, you may be expected to route a copy of the application to appropriate departments.
3. A diagrammatic site plan is required showing the placement of booths, activities, seating areas, parking lots, fire lanes, access, traffic control barriers (if needed), restrooms and/or other features that you deem important. A pre-submittal meeting or telephone call is suggested with each of the Departments (see sign-off sheet) involved in the review of your permit to assure that appropriate information is provided.
4. Please attach a Temporary Use Application and \$100.00 application fee as required by the Community and Economic Development Department.
5. Please attach a copy of an approved Salt Lake County mass gathering permit.
6. Sign-offs by all relevant City Departments as defined on the Sign-off/signature page are required before approval is given by the Planning and Zoning Division of the Community and Economic Development Department.
7. Please explain the event in detail by letter or if available, by flyer. Include estimates of the number of patrons, traffic control, security systems, medical or fire requirements, cooking and heating equipment, and any special demonstrations such as pyrotechnics, hot air balloons, gas barbecues, etc.
8. A bond and/or insurance may be required for any event to take place on public property.
